Gentlemen

Will you kindly inform  
me whether there has been any bronze  
medals or coins struck, in commemoration  
of the King & Queen of the Belgians or H.R.H.  
The Prince of Wales Visit, or any of our  
distinguished guests, thank you for a  
reply

Your truly  
S. Jackson Jacobs

Dear Sir:

In response to your letter of the 31st, I take pleasure in enclosing a folder describing the Prince of Wales Medal recently issued by this Society. The subscription is limited to our members and to members of The Pilgrims of the United States and the Mayor's Committee of Reception. The date for closing the subscription is March 1st next.

I also enclose a circular of the medal for the King and Queen of the Belgians, struck prior to their visit, to commemorate their aerial crossing of the English Channel.

I am wondering whether an invitation to become a member of our Society has ever been extended to you. If you are interested in medals, it would give me great pleasure to propose your name as an associate member. The annual dues are but \$5, and this entitles you to participation in any of the medal subscriptions of our Society. Should you be free to send me your acceptance at the present time, it would be possible to arrange that you might have one of the Prince of Wales medals. I think there are only one or two of the King and Queen of the Belgians medals available - and in silver only, -at \$10. The bronze medals are issued at \$5 each.

There is a meeting of our Council on Monday, January 5th, and if you decide to accept this invitation to associate yourself with our Society, and will let me hear from you by letter or by telephone before that time, I should be very glad indeed to present your name at that meeting. I enclose a brief folder describing our Society and its aims.

Awaiting your response, I beg to remain,

Very respectfully yours,

(Enclosures)

Secretary.

Gentlemen:-

I should be very much pleased to receive the medals to which you referred in your letter of the 2nd, and beg to enclose my check for \$10.00 to cover same.

I am not interested in medals except insofar as they pertain to people whom I have met; and having had the pleasure of meeting the Prince of Wales and the King and Queen of the Belgians, I would very much like to have these two medals in bronze.

I thank you for your offer to propose my name to your society and will take the matter under consideration.

Kindly acknowledge receipt, and oblige,

Yours very truly,

Dear Sir:

Thank you for your letter of the 5th, ordering one bronze copy each of the medal for the Prince of Wales and the King and Queen of Belgium.

The first of these will be sent you within a very few days. The other, I regret to advise, is now not procurable. The subscription for this second medal closed several months ago, and through action of our Council, no copies can be struck after the date of the closing of the subscription.

This is one of the reasons why membership in the Society would be desirable--you would know about the medals when they are issued, and be able to subscribe for them while they are still available. They are not sold outside of our membership, except, as in the case of these two medals, when the Mayor's Committee or some similarly interested organization is granted the privilege of subscribing for them, if they desire to do so. It is possible that there may be medals for other distinguished visitors, and I hope that your consideration of our invitation to associate yourself with our Society may be favorable.

Shall I return five of the ten dollars sent me, or would you perhaps prefer to have two bronze copies of the Prince of Wales Medal?

Awaiting your response, I am,

Very respectfully,

Secretary.

Gentlemen:-

I am in receipt of yours of Feb. 4th,  
and appreciate the honor conferred on me by  
making me an associate of your society and I  
shall have much pleasure in visiting you very  
shortly.

I presume that the enclosed bill

remember, I sent you a check for \$10.00 and only  
\$5.00 of this amount was used in the purchase of  
the medal which you sent me.

Dear Mr. Jacobs:

In response to yours of the 7th, please accept my apology for the inclusion of a bill which was not received. You are quite correct. It should have been received, and it was entirely an oversight that it was sent out without the signature of our Treasurer.

I trust to have the pleasure of greeting you when you visit our Museum- we think it one of the unusual attractions of this great City.

Very respectfully yours,

Secretary.

Gentlemen:-

I beg to enclose a letter from the Treasury Department in reference to the nickels of 1913. I think that the party who advertised in the magazine should be reprimanded, as such ads, which are apparently fraudulent, should not find their way into so reputable a magazine as yours.

Tusting you will take the same view of the matter as I do, I am,

Dear Mr. Jacobs:

I have your letter of June 7th and I quite agree with your position. Our Society, however, is not the subscriber of the *ENTRANT*. This is the organ of the American Librarians Association. I would suggest your sending a letter such as you have written me to the Editor, Mr. Frank J. Buffield, 1811 Eshier Street, Baltimore, Md.

I am informed that a small number of these pieces are supposed to have been issued from altered (?) files in the Mint, but without the knowledge of the Mint officials. This, of course, is something which could be impossible to substantiate.

Very truly yours,

Dear Sir:-

I have recently obtained a copy in bound of  
the serial containing the serial chapters of the  
English Channel by the King and Queen of the Belgians.  
You wrote me sometime ago that you desired one of  
these periods. If you have not retained one in the  
meantime, will you kindly let me have a copy from you  
promptly.

Very respectfully yours,

Secretary.
